BULLETIN ON CURRENT LITERATURE

OF INTEREST TO WORKERS FOR THE HANDICAPPED

Vol. 7, No. 1

January, 1946

Index to this Issue

Arthritis - 6	Orthopedic Nursing - 60
Books - 70-80	Physical therapy - 18,26, 36,70,78
Brucellosis - 22,33,45	Plastic surgery - 17
Buildings - 4	Poliomyelitis - 7,15,20, 25,50,56,62,64
Cerebral Palsy - 13,16, 27, 59, 69	Rh blood factor - 63
Convalescent Care - 19, 53	Rheumatic fever - 9,21,30, 48,53,68
Crippling Conditions - 26,30,39,41,47,57	Societies for Crippled - 46
Education - 29,36,44,79	Speech defects - 34,42
Employment - 8,10,12,14, 28,39,43,67,74	Venereal diseases - 37, 40,61,65,66
Epilepsy - 1,38	Veteran rehabilitation - 3,4,28,31,39,43,44,54, 55,58
Foreign - 6,40,47,48,49, 50,58,79	Vision - 5,11,35,52,55
Hearing - 23,32	Vocational rehabilitation - 2,8,49,51,74,78,79
Occupational therapy - 24, 49,54	

* * * * *

Any item listed here may be borrowed from the Library of the National Society for Crippled Children and Adults. Additional literature on any of the subjects will be sent to interested persons upon request.

Articles appearing in this Society's bimonthly magazine, THE CRIPPLED CHILD, or in the bimonthly news letter, THE CRIPPLED CHILD BULLETIN, are not listed in this Bulletin.

A complete index for this volume will be issued at the end of the year. A bibliography of publications which originally published the articles listed in this Index appears on Page 6-7.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education, or vocational rehabilitation of cripples and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available to others at 50¢ a year.

1. Abbott, John Adams, M.D. Epilepsy and the Public Health Nurse, Public Health Nursing. Dec., 1945. 37:12:595-601.
2. Almy, Helen J. The Road to Rehabilitation. The Child. U.S. Department of Labor. Nov., 1945. 10:5:67-70.

"Good teamwork by professional workers helps crippled children to lead normal lives."

3. American National Red Cross. Helping Disabled Veterans. The American National Red Cross, Washington, D.C. ARC 1263. Oct., 1945. Pamphlet 72pp.

Written to acquaint the Red Cross Home Service worker with the nature and the more common disabilities of veterans and how to aid them adjusting to his disability.

4. An Architectural program to benefit the physically handicapped --including our 15,000 World War II Amputees, Architectural Forum, Nov. 1945, 83:5:240.

Pictures and text explain recommendations of Illinois Association for the Crippled, Architectural Advisory Committee, on construction and conversion of public buildings to make them accessible to the physically handicapped.

5. Aylesworth, F.A., M.D. A Study of Causes of Blindness in Over 12,000 Cases in Canada, The Canadian Medical Association, Jan. 1946, 54:1:30-32.
6. Bach, Francis. The Management of Rheumatoid Arthritis, British Journal of Physical Medicine and Industrial Hygiene, Nov.-Dec. 1945. 8:6:168-174.

A discussion including charts showing a composite graph of the patients.

7. Bahlke, Anne M.; Perkins, James E. Treatment of Preparalytic Poliomyelitis with Gamma Globulin, Journal of the American Medical Association, Dec. 22, 1945, 129:17:1146-1150.
8. Bartley, Kate M. One-hand typist, The. Business Education World Nov. 1945, 26:3:141-142.
9. Bierman, Jessie M. The Outlook for the Rheumatic Child in Calif. California Health, Dec. 15, 1945, 3:11:49-51.
10. Bridges, Clark D. Disabled are Average Risks, Employment Service Review, Nov. 1945, 12:11:15-16,24.
11. Boyes, Truman L. Cataracts. Hygeia. Jan. 1946. 24:1:22-23,66.
12. Business Groups Aid Veterans. Occupations. Jan. 1946, 24:4:235-236.

Various professional and business groups are making concerted effort to aid the veteran in vocational adjustment.

13. California Cares, Published by California Society for Crippled Children, Inc., San Francisco 8, California. Bi-Monthly Bulletin, Jan. 1946, 2:1.

California Society for Crippled Children is inaugurating an active program for cerebral palsy. Each issue of "California Cares" is to contain a cerebral palsy page, reporting on the work done.

14. Carmichael, James V. Handicapped Prove More Dependable. Georgia Vocational Rehabilitation News, Jan. 1946, 11:4:1.

A study made by the Medical Department of Bell Aircraft Corporation, Georgia Division of 1,757 persons with physical impairments.

15. Casey, A; Fishbein, Wm; & Bundesen, H., Transmission of Poliomyelitis by Patient to Patient Contact, Journal of the American Medical Association, Dec. 22, 1945, 129:17:1141-1145.
16. Dabney, Richard S. Rhythm for the Cerebral Palsied Child, Bulletin, Missouri Society for Crippled Children, Inc., Dec. 1945, XVIII:4:3.

Discusses exercise and lists some excellent selections which can be played.

17. Davenport, Marshall. He Tattoos the Scars Away. Saturday Evening-Post, Jan. 12, 1946. 218:28:6.

A patient tells how an artist working under a plastic surgeon, tattoos grafted skin to make it look like the natural skin of the host area.

18. Deaver, George G., M.D.; Brown, Mary Eleanor. The Challenge of Crutches. Prescribing Crutch Gaits for Orthopedic Disabilities. Archives of Physical Medicine, Dec. 1945, XXVI:12:747-758.
19. Dill, Ethel L., R.N.; Jordan, Isabelle M., R.N. Convalescent Care of Children. American Journal of Nursing, Dec. 1945, 45:12:1029-1031.
20. Donnelly, Reinette Lovewell. The Polio Bill of Rights. Eagle Magazine, Jan. 1946, 34:1:16.

With the Help of Their Communities, Stricken Boys and Girls are Fighting Their Way Back to Health and a Brighter Future.

21. Easby, Mary H., M.D. Rheumatic Fever and Rheumatic Heart Disease, Family, Jan. 1946, XXVI:9:340-347.
22. Evans, Alico, M.D. Thousands of Cases of Brucellosis are Unrecognized. Michigan Public Health, Dec. 1945, 33:12:230.
23. Guthrie, Virginia S. Creative and Expressive Activities for Young Deaf Children. Volta Review, Dec. 1945, 47:12: 679-682,724-730.

Activities arranged according to age group from two to nine years.

24. Haas, Louis J. Equipment aids for those with one hand. 3 Godney Terrace, White Plains, N.Y. Pamphlet 1945, 11pp. 80¢.
25. Harper, E.C. Facts about Infantile Paralysis. The Virginia Rehabilitator, Dec. 1, 1945, 11:3:1-2. Bulletin.
26. Hart, Lt.Col. Vernon L. Balanced Suspension and Fractures of the Femur, Bulletin of the U.S. Army Medical Department, Jan. 1946, 5:1:57-63.

"...The patient becomes an active and vital part of the corrective therapy."

27. Hefferman, Helen. The Cerebral-palsied. Sierra Educational News, Nov. 1945, 42:9:34-5.

Explains the problems presented by this type of crippled child and describes the comprehensive program enacted by the recent California Legislature for diagnosis, treatment and education of these cases.

28. Hershey, Maj.Gen. L.B. Industry Needs the Veteran. Safety Engineering, Dec. 1945, 90:6:51-52.

"Many skills learned in the service can be used in industry."

29. Igce, Celostine, Some Outstanding Features in The Education of The Handicapped at Spalding School, Chicago, Illinois, Journal of School Health, Dec. 1945, 15:10:243-250.

"...Children from Nursery School through High School are cared for physically and mentally..."

30. Irvine, J.H. Heart Disease and What to Do About It. Hygeia, Jan. 1946, 24:1:32-33,70.

A Discussion of six common types of heart disorders.

31. Isenberg, Eli. Rehabilitation Can Be Fun. Hospital Corps Quarterly, Dec. 1945, 18:12:40-44.

Descriptive account of the program at U.S. Naval Special Hospital, Ashville, N.C.

32. Jones, Lillian R. Hearing Aid-Program at State School for Deaf. Education in Louisiana, Dec. 1945, 4:6:19.

Testing Hearing at the School for the Deaf.

33. Jordan, Carl F; Borts, Irving H. Occurrence of Brucella Melitensis in Iowa. Journal of the American Medical Association, Jan. 12, 1946, 130:2:72-75 .

34. Junior Red Cross Cares for Handicapped Children. The Canadian Red Cross Junior, Feb. 1946, 15:2:13.

Opened a Speech Clinic, November 16, 1945 in Montreal, Canada.

35. Kriger, Albert. Pre-School Training for the Visually Handicapped Child. Education in Louisiana, Dec. 1945, 4:6:18.

36. Landers, Julia Partington. A Score Card for Evaluating Physical Education Programs for Physically Handicapped Children. American Association for Health. Physical Education and Recreation. Research Quarterly, Oct. 1945, 16:3:216-20.

37. Leifer, Major William. The Treatment of Early Syphilis with Penicillin. Journal of the American Medical Association, Dec. 29, 1945, 129:18:1247-1251.

38. Lennox, William G. The Petit Mal Epilepsies, Their Treatment with Tridione, The Journal of the American Medical Association, Dec. 15, 1945, 129:16:1069-1074.

39. Lewey, Maj. F.H; Bowles, 1st Lt. George K. Work Furloughs for Patients with Peripheral Nerve Injuries, Bulletin of the U.S. Army Medical Department, Dec. 1945, 4:6:683-686.

Convalescent furlough of 90 days arranged so patient will gain benefits from using injured extremity.

40. Lourie, E; Ross, A; Nelson, R; Collier, H; and Robinson, D. Ambulatory Treatment of Early Syphilis with Penicillin. The Lancet, Dec. 1, 1945, 22:2:696-701.
41. McClurkin, Eleanor. Chronic Disease From a Patient's Point of View. Modern Hospital, Dec. 1945, 65:6:70-71.

Discusses homes for the handicapped.

42. McGinnis, Mildred. Trend in Teaching of Speech Correction. Bulletin, Missouri Society for Crippled Children, Inc., Dec. 1945, 18:4:2.
43. Milwaukee Journal. GI Joe- What of His Future? Milwaukee Journal, July, 1945 Booklet

"Selected Articles from the Milwaukee Journal's series discussing the problem of restoring our servicemen to useful civilian life."

44. Mueller, Capt. Vernetto A; Mersand, T/S Joseph. The Army's Educational Reconditioning Program. The Nation's Schools, Jan. 1946, 37:1:20-21.

The U.S. Army considers its hospitals as schools and universities.

45. New Antibiotic. Science News Letter, Dec. 15, 1945, 48:24:371

"Penicillin-like substance, effective against germs of boils, tuberculosis and undulant fever, found in bacteria that cause bee disease."

46. News Bulletin, Arizona Society for Crippled Children, Inc., Dec. 1945,

A new periodical of the Arizona Society for crippled children devoted to the activities and needs of that state, 2pp.

47. Page, C. Max. Survey of Fracture Treatment. British Medical Journal, Dec. 15, 1945, No.4432:835-839.

Historical development of fracture and dislocation treatment.

48. Parkinson, John. Rheumatic Fever and Heart Disease. The Lancet, Nov. 24, 1945, XXI:II:657-662.
49. Patterson, J.W.T. Resettlement of the Disabled. The Lancet, Dec. 15, 1945, XXIV:II:766-767.
50. Polio Program in Canada. Domestic Engineering, Dec. 1945, 166:6:97-98.

51. Rehabilitation of Pennsylvania Physically Handicapped. Pennsylvania Rehabilitation. Official Bulletin, Commonwealth of Pennsylvania, State Board of Vocational Education, Bureau of Rehabilitation, Dec. 1945, No. 1, 5pp.
52. Rickman, Lillie Mae. The Illinois Sight Saving Program. Educational Press Bulletin, Dec. 1945, pp. 3-5.

53. Rohret, Cecilia Healy. Rheumatic Fever. Hygeia, Jan. 1946, 24:1:42-44.

Discusses symptoms and how to care for the patients.

54. Rudolph, Capt. Herman L. Work Therapy in An Army General Hospital. Archives of Physical Medicine, Dec. 1945, XXVI:12:741-747.
55. Sriver, Helen. The Army Studies Lip Reading. Volta Review, Dec. 1945, 47:12:699-701, 714-718.
56. Smith, M; Bridge, E; Underwood, H; Dale, G. A Study of the Origin of an Epidemic of Poliomyelitis, Journal of the American Medical Association, Dec. 22, 1945, 129:17:1150-1158.
57. Soto-Hall, Lt.Col. Ralph; Horwitz, Lt.Col. Thomas. The Treatment of Compound Fractures of the Femur. The Journal of the American Medical Association, Jan. 19, 1946, 130:3:128-134.
58. Speaking of the Disabled--Production and Engineering Bulletin, Dec. 1945, 4:35:430-431.

Industrialists recently met in conference at Oxford, England to discuss rehabilitation problems. Some of the interesting points that emerged are summarized.

59. Stafford, Bart L. III. I Am A Cerebral Palsied. Spastic Review, Jan. 1946, 7:1:4-5.
60. Stevenson, Jessie L., R.N. An Orthopedic Service for the Community, Public Health Nursing, Dec. 1945, 37:12:607-611.
